

You need to CUT, not copy each word and paste it where you think it goes on the Venn diagram on the next page.

A shortcut for cut is to press 'Ctrl + X'

A shortcut for paste is 'Ctrl + V'

Crops Battle
Land Funny
Army Conquer Land
Fort Violent Stay
Attack Peaceful
Force Arrive Lucky Friendly
Village Fight
Travel Clever Journey Pretty
Farm

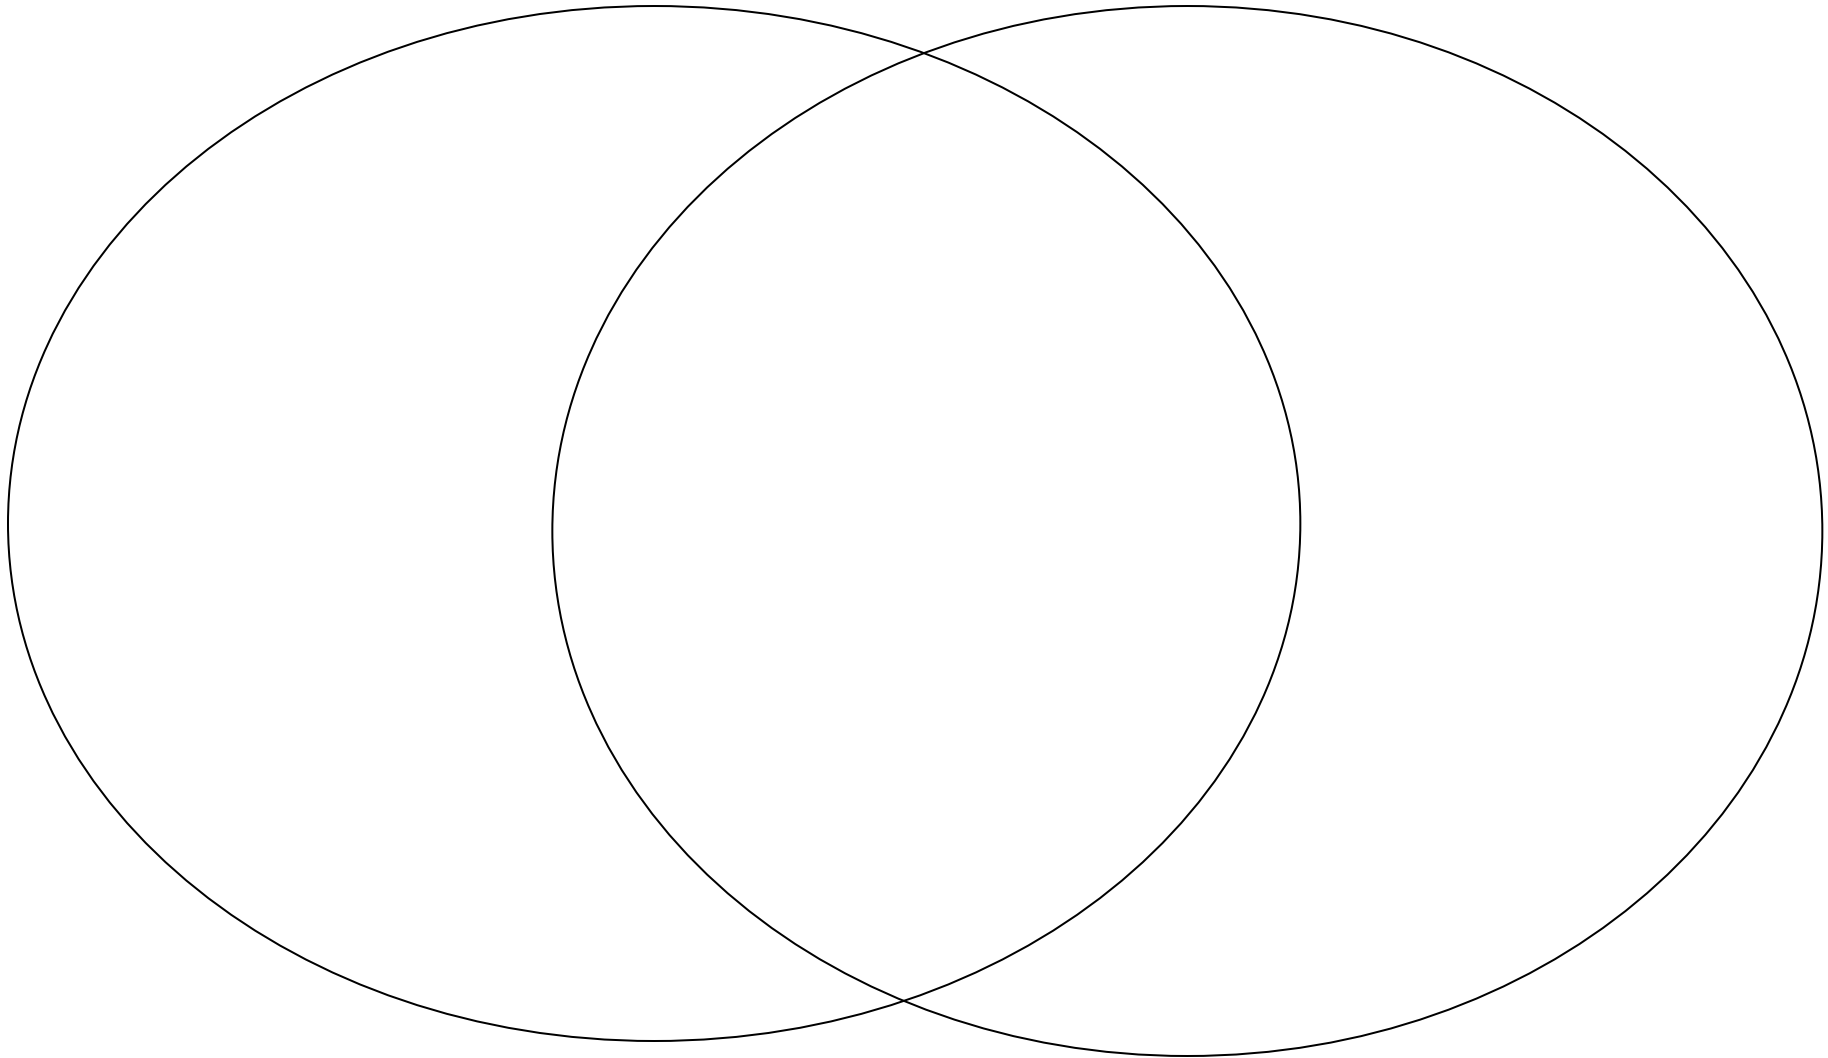

Name _____

Date

Know the difference between invaders and settlers

Invade

Settle

Extension: add words to the Venn diagram - you can make up your own or get some different words by right clicking on a word, then clicking on 'Synonyms' or you can use a thesaurus
